

"I'LL STAND BY YOU " - Pretenders

Oh, why you look so sad?
Tears are in your eyes
Come on and come to me now
Don't be ashamed to cry
Let me see you through
'cause I've seen the dark side too
When the night falls on you
You don't know what to do
Nothing you confess
Could make me love you less

I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you

So if you're mad, get mad
Don't hold it all inside
Come on and talk to me now
Hey, what you got to hide?
I get angry too
Well I'm a lot like you
When you're standing at the
crossroads
And don't know which path to
choose
Let me come along
'cause even if you're wrong

I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
Take me in, into your darkest
hour
And I'll never desert you
I'll stand by you

And when...
When the night falls on you,
baby
You're feeling all alone
You won't be on your own

I'll stand by you
I'll stand by you
Won't let nobody hurt you

I'll stand by you
Take me in, into your darkest
hour
And I'll never desert you
I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
Won't let nobody hurt you
I'll stand by you

“FREEDOM!” - George Michael

I won't let you down
I will not give you up
Gotta have some faith in the sound
It's the one good thing that I've got
I won't let you down
So please don't give me up
Because I would really, really love to stick around
Oh, yeah

Heaven knows I was just a young boy
Didn't know what I wanted to be
I was every little hungry schoolgirl's pride and joy
And I guess it was enough for me
To win the race? A prettier face!
Brand new clothes and a big fat place
On your rock and roll TV
(Rock and roll TV)
But today the way I play the game is not the same,
no way
Think I'm gonna get me some happy

I think there's something you should know
I think it's time I told you so
There's something deep inside of me
There's someone else I've got to be
Take back your picture in a frame
Take back your singing in the rain
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now
Is take these lies and make them true somehow
All we have to see
Is that I don't belong to you
And you don't belong to me, yeah yeah

Freedom (I won't let you down)
Freedom (I will not give you up)
Freedom (Gotta have some faith in the sound)
You've gotta give for what you take (It's the one
good thing that I've got)
Freedom (I won't let you down)
Freedom (So please don't give me up)
Freedom ('Cause I would really really love to stick
around)
You've gotta give for what you take

Heaven knows we sure had some fun boy
What a kick just a buddy and me
We had every big-shot goodtime band on the run
boy
We were living in a fantasy
(We were living in a fantasy)
We won the race
Got out of the place
I went back home got a brand new face
For the boys on MTV
But today the way I play the game has got to
change, oh yeah
Now I'm gonna get myself happy

I think there's something you should know
I think it's time I stopped the show
There's something deep inside of me
There's someone I forgot to be
Take back your picture in a frame
Don't think that I'll be back again
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now
Is take these lies and make them true somehow
All we have to see
Is that I don't belong to you
And you don't belong to me

Freedom (I won't let you down)
Freedom (I will not give you up)
Freedom (Gotta have some faith in the sound)
You've gotta give for what you take
(It's the one good thing that I've got)

Freedom (I won't let you down)
Freedom (So please don't give me up)
Freedom ('Cause I would really really love to stick
around)
You've gotta give for what you take

# “I LOVE ROCK 'n ROLL” – Joan Jett

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come and take your time and dance with me

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come and take your time and dance with me

I saw him dancin' there by the record machine  
I knew he must a been about seventeen  
The beat was goin' strong  
Playin' my favorite song  
An' I could tell it wouldn't be long  
Till he was with me, yeah me  
And I could tell it wouldn't be long  
Till he was with me, yeah me, singin'

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come and take your time and dance with me

He smiled so I got up and asked for his name  
That don't matter, he said  
'Cause it's all the same  
Said can I take you home where we can be alone

And next we were movin' on  
He was with me, yeah me  
Next we were movin' on  
He was with me, yeah me, singin'

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

Said can I take you home where we can be alone

Next we were movin' on  
He was with me, yeah me  
An we'll be movin' on  
An' singin' that same old song  
Yeah with me, singin'

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with

# **“HOME AGAIN” - Carole King**

Sometimes I wonder if I'm ever gonna make it home again  
It's so far and out of sight  
I really need someone to talk to  
And nobody else knows how to comfort me tonight

Snow is cold, rain is wet  
Chills my soul right to the marrow  
I won't be happy till I see you alone again  
Till I'm home again and feeling right  
Chills my soul right to the marrow  
I won't be happy till I see you alone again  
Till I'm home again and feeling right  
Till I'm home again and feeling right  
I want to be home again and feeling right

# “YOU’VE GOT A FRIEND IN ME” -Toy Story

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles  
From your nice warm bed  
You just remember what your old pal said  
Boy, you've got a friend in me  
Yeah, you've got a friend in me

You've got a friend in me  
You've got a friend in me  
You've got troubles, and I've got 'em too  
There isn't anything I wouldn't do for you.

We stick together and can see it through  
'Cause you've got a friend in me  
You've got a friend in me

Some other folks might be  
A little bit smarter than I am  
Bigger and stronger too, maybe  
But none of them will ever love you  
The way I do, it's me and you, boy  
And as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

Ooh sha sha  
We got to live together

There is a yellow one  
that won't Accept the black one  
That won't accept the red one  
That won't accept the white one

Different strokes for different folks  
And so on and so on and  
Scooby dooby dooby  
Ooh sha sha  
I am everyday people.

Autumn turns to winter  
And then winter turns to spring  
It's not just for the seasons you know  
It goes for everything

It's even true for voices when boys begin to  
grow  
You gotta take a lesson from mother nature  
And if you do you'll know

When it's time to change, then it's time to  
change  
Don't fight the tide, come along for the ride  
Don't ya see?  
When it's time to change, you've got to  
rearrange  
Who you are into what you're gonna be

Sha na na na na na na na na  
Sha na na na na  
Sha na na na na na na na na  
Sha na na na na

The changes you've been through  
A little bit of living, a little bit of growing.  
All adds up to you.

A girl's a woman too  
And if you want to reach your destiny  
Here's what you've got do

When it's time to change, then it's time to

# “AMERICA” - Neil Diamond

Far  
We've been traveling far  
Without a home  
But not without a star

Free  
Only want to be free  
We huddle close  
Hang on to a dream

On the boats and on the planes  
They're coming to America  
Never looking back again  
They're coming to America

Home, don't it seem so far away  
Oh, we're traveling light today  
In the eye of the storm  
In the eye of the storm

Home, to a new and a shiny place  
Make our bed, and we'll say our grace  
Freedom's light burning warm  
Freedom's light burning warm

Everywhere around the world  
They're coming to America  
Every time that flag's unfurled  
They're coming to America

Got a dream to take them there  
They're coming to America  
Got a dream they've come to share  
They're coming to America

They're coming to America  
They're coming to America  
They're coming to America  
They're coming to America

Today, today, today, today, today

My country 'tis of thee  
Today  
Sweet land of liberty  
Today  
Of thee I sing  
Today  
Of thee I sing  
TODAY !!!

# Ease On Down The Road - 'THE WIZ'

( CHORUS 2x )

Come on and  
Ease on down, ease on down the road  
Come on, ease on down  
Ease on down the road  
Don't you carry nothing  
That might be a load  
Come on, ease on down  
Ease on down, down the road. (repeat)

---

Verse 1

Pick your left foot up  
When your right foot's down  
Come on legs keep movin'  
Don't you lose no ground.  
You just keep on keepin'  
On the road that you choose  
Don't you give up walkin'  
'Cause you gave up shoes,

---

CHORUS

Come on and  
Ease on down, ease on down the road

---

Verse 2

'Cause there may be times  
When you think you lost your mind  
And the steps you're takin'  
Leave you three, four steps behind.  
But the road you're walking  
Might be long sometimes  
You just keep on trukin'  
And you'll just be fine, yeah.

---

CHORUS

Come on and  
Ease on down, ease on down the road

---

Verse 3

Well there maybe times  
When you wish you wasn't born  
And you wake one morning  
Just to find your courage's gone.  
But just know that feeling  
Only last a little while  
You stick with us  
And we'll show you how to smile,  
yeah

---

CHORUS

Come on and  
Ease on down, ease on down the road

---
